SAVVY
analytIQs

Create customized dashboards to view, filter, and understand your data. Discussion guides and focus areas update automatically to direct you to the most important pieces of data and guide you on how to interpret and act on that information.

QUARTERLY REPORTING IN MINUTES

Use filters to view the scorecard by any leader (or combination of leaders) in the organization. Adjust the goals and chart views as needed to accommodate varying demands. Push to a presentation-ready PowerPoint with auto generated insights.

KEEP YOUR DATA

Your data stays with you: we do not collect or store any of your data. Savvy AnalytIQs will never ask for anything beyond a small sample data file of fabricated data to use for onboarding.
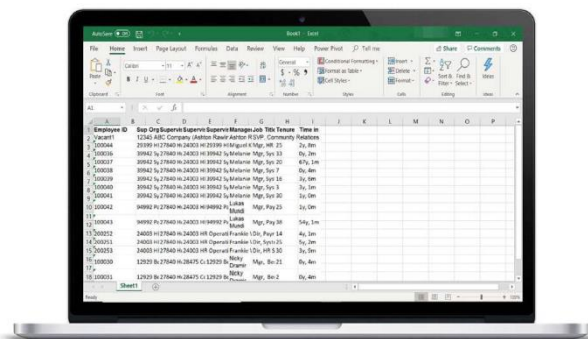

EASY TO USE

No need for new technology; Savvy Scorecards use only Excel and PowerPoint which makes onboarding and adoption simple.

ONE CLICK PRINTING

Print the scorecard - including comparisons to organizational goals, detailed graphs, and insights - to PowerPoint with one-click.

From raw data to formatted charts to full presentations in seconds.

TRACK AGAINST GOALS

Set goals for each metric as well as thresholds that are used to color the graphs and visually represent how well you are tracking towards your goals.

BUILT IN FLEXIBILITY

Easily change which demographics to view each metric by to better understand results. Quickly toggle between viewing for the current quarter and a historical trend.

FULLY EDITABLE

Presentations are fully editable to allow for changes to the scorecards and insights at any time.

WORKING TOGETHER

Savvy AnalytIQs will collaborate with you during the onboarding process to customize the tool to fit with your organization's specific needs as well as provide ongoing support to help with onboarding and adoption.
