

Move surveys in-house to save money, view results in an interactive dashboard, and produce ready-to-share executive overview presentations with automated insights for any population instantly.

ONE CLICK EXECUTIVE OVERVIEWS

Print summary presentations - including insights, strengths and opportunities, demographics, and item details - for any population in your organization and adoption simple.

KEEP YOUR DATA

Your data stays with you: we do not collect or store any of your data. Savvy AnalytiQs will never ask for anything beyond a small sample data file of fabricated data to use for onboarding.

KEY DRIVERS FOR ANY GROUP

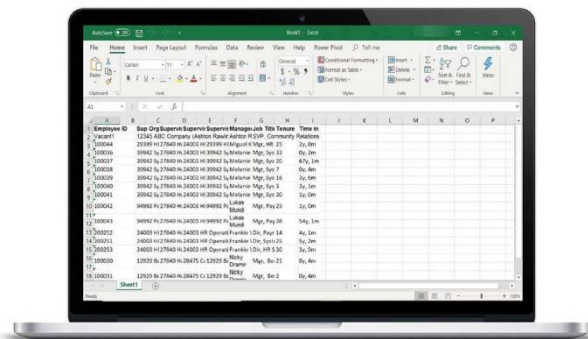

Strengths and opportunities are based on both raw scores and the relationship to your outcome metric to truly identify focus areas.

EASY TO USE

No need for new technology; Savvy Surveys use only Excel and PowerPoint which makes onboarding and adoption simple.

From raw data to formatted charts to full presentations in seconds.

CUSTOMIZED FOR YOU

Design a survey to meet your exact needs. Integrate any data field, even custom fields outside your HRIS system, with the survey data for deeper analyses.

BUILT IN FLEXIBILITY

Easily change which demographics to view each metric by to better understand results. Quickly toggle between viewing for the current quarter and a historical trend.

FULLY EDITABLE

Presentations are fully editable to allow for changes to the presentations and insights at any time.

WORKING TOGETHER

Savvy AnalytiQs will collaborate with you during the onboarding process to understand your unique data needs and will customize the tool to fit your demands.
