

Build 9-boxes, view summary charts, and see automated insights for anyone in your organization with a few clicks. Save as slides that can be edited, presented, and shared with leaders as needed.

EASY TO USE

No need for new technology; Savvy 9-Boxes use only Excel and PowerPoint which makes onboarding and adoption simple.

KEEP YOUR DATA

Your data stays with you; we do not collect or store any of your data. Savvy AnalytiQs will never ask for anything beyond a small sample data file of fabricated data to use for onboarding.

CREATE FOR ANY POPULATION

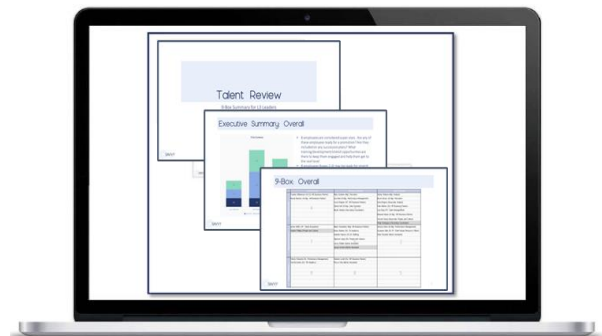

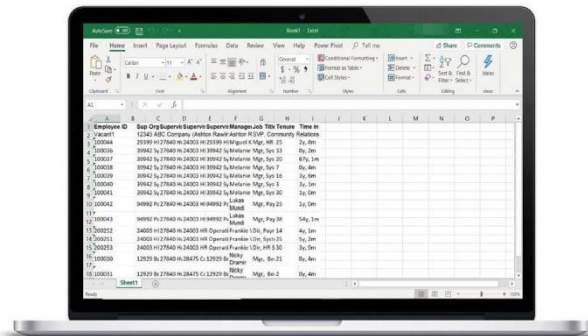

Use filters to view 9-boxes for any combination of leaders, levels, and employee demographics.

ONE CLICK PRINTING

Print the 9-box, summary chart, and automated insights to PowerPoint with one-click.

From raw data to formatted charts to full presentations in seconds.

REDUCE ADMINISTRATIVE TIME

Create separate files for all leaders with only their appropriate data with the push of a button. In addition, all changes made in the file can be saved as individual files by leader.

ADJUST ON THE FLY

Quickly adjust employee data and see it instantly reflected in the 9-box, charts, and insights. All changes from the original data are highlighted for quick viewing.

FULLY EDITABLE

Presentations are fully editable to allow for changes to the 9-boxes and insights at any time.

WORKING TOGETHER

Savvy AnalytiQs will collaborate with you during the onboarding process to customize the tool to fit with your organization's specific needs as well as provide ongoing support to help with onboarding and adoption.
