

Build dynamic organizational charts to use for viewing your organizational structure, having talent and succession planning discussions, and leading organizational design sessions. Save editable charts directly into PowerPoint without new technology.

### EASY TO USE

No need for new technology; Savvy Org Charts uses only Excel and PowerPoint which makes onboarding and adoption simple.

### KEEP YOUR DATA

Your data stays with you; we do not collect or store any of your data. Savvy AnalytiQs will never ask for anything beyond a small sample data file of fabricated data to use for onboarding.

### CREATE FOR ANY LEVEL

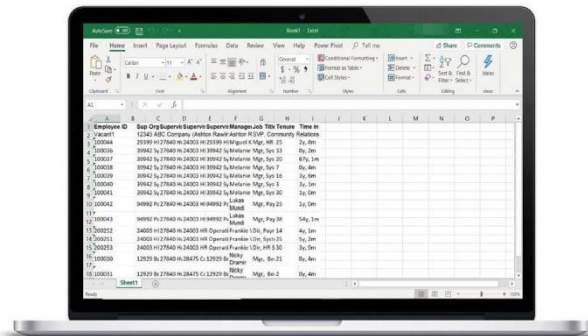

Instantly create organization charts for any leader in the company.

### ONE CLICK PRINTING

Print their chart and all of their direct reports' organizational charts to PowerPoint with one-click.

From raw data to formatted charts to full presentations in seconds.

Go to [www.savvyanalytiqs.com](http://www.savvyanalytiqs.com) for a demo video and more information

### CUSTOMIZED FOR YOU

Add any data field, even custom fields outside your HRIS system, and set your default options. Endless ways to customize the charts that come standard with the tool. Tailor to accommodate unique needs and branding requirements.

### ADJUST ON THE FLY

Easily add open roles and hide leaders and employees for quick changes during organizational design discussions.

### FULLY EDITABLE

Charts are fully editable once they are created: change text, change colors, or rearrange and delete boxes.

### WORKING TOGETHER

Savvy AnalytiQs will work with you during the onboarding process to understand your unique data needs and will customize the tool to fit your demands.
